Agenda-wise Proceedings

1. Opening Remarks

Chair: Mr. Sandeep Parmar, President, CRA

The meeting commenced with opening remarks by the President, who welcomed all members and outlined the key objectives of the Executive Meeting.

2. Discussion on CRA Elections-Review of election process, timeline, and related matters

Mr. Jitender Sharma, Secretary General CRA delivered a presentation on the CRA election process and explained the election activities step by step along with the required timelines.

He informed the members that the entire election process is expected to take approximately **four months**. The major election activities and timelines include:

1. Issue of **GOPA/WOL Renewal Notice** to CRA members.
2. Completion of the **membership renewal process**.
3. Submission of the **Nomination Form along with the Authorized Letter**.
4. Appointment of the **Election Officer**.
5. Preparation of **Ballot Papers**.
6. Dispatch of ballot papers to the **CRA voting members**.
7. Receipt of completed ballot papers by the **Election Officer** for counting and further election proceedings.

Mr. Jitender Sharma explained that considering all these activities and the required timelines at each stage, the complete election process will take approximately **four months** to complete.

Mr. Jitender Sharma informed the CRA EC Members that **previous CRA Executive Committees** have taken approximately **6 to 8 months** to complete the entire CRA election process. He explained that the election activities involve several stages, including membership renewal, nomination, appointment of the Election Officer, preparation and distribution of ballot papers, and collection of ballots, which require sufficient time to ensure a fair and transparent election process.

A clarification has been sought regarding the tenure of the present Executive Council and the timeline for the forthcoming elections. There are two possible interpretations regarding the completion of the current tenure:

Election-to-Election Tenure – If the tenure is calculated from the date of the last election, the current term would conclude on 28 June 2026.

General Body (GB) Resolution Extension – If the one-year extension granted by the General Body is considered, the tenure would continue until December 2026.

In either case, the election process has already commenced. As part of the process, membership records are being verified, including the validation of membership status based on GOPA/WOL and other eligibility requirements.

Therefore, irrespective of whether the tenure is considered up to June 28, 2026 or 02 December 2026, the election process is already underway and will be completed before the expiry of the tenure. Accordingly, preparations for conducting the elections shall continue without interruption. Members are requested to extend their cooperation in completing the membership verification process and ensuring a smooth and transparent election. For the information of members step by step activities table for conducting the election is also presented.

3. Discussion on the Termination of Nihar Panda

Mr. Jitender Sharma informed the EC Members that all relevant documents related to the case of Mr. Nihar Panda had already been circulated among the CRA Members for their review and consideration. He further proposed that a Google Form be circulated to all CRA Members to obtain their views regarding the proposed termination of Mr. Nihar Panda's membership in CRA. Mr. Sandeep Parmar, President of CRA, stated that the Google Form would be circulated to the members during the following week. He also informed the EC that a committee would be constituted consisting of three CRA EC Members and two members from Odisha to review the matter in detail. Based on the feedback received through the Google Form and the recommendations of the committee, the EC will take an appropriate decision in the next EC Meeting and subsequently inform all CRA Members of the outcome.

Mr. Jitender Sharma informed the CRA EC Members that CRA had received an email from an Odisha CRS Station, which is a member of CRA. According to the complaint received, Mr. Nihar Panda allegedly committed fraud against the station. The matter was brought to the attention of the EC Members for their information and consideration.

As per MOU Item Number 21 All the appeals against expulsion of Members shall be preferred to the EC of the Society. The decision of the EC shall be final. The decision of the Governing Body shall be communicated to the Member concerned.

Review of WOL and GOPA Status of CRA Members

Mr. Jitender Sharma presented the current status of WOL and GOPA compliance among CRA Members. He informed the EC Members that responses had been received from approximately 300 CRA Members. Based on the information received:

- 56 CRS stations do not have a valid WOL.
- 27 CRS stations do not have a valid GOPA.
- 52 CRS stations have not responded despite several reminders.

Mr. Sandeep Parmar, President CRA stated that the CRA Office has provided extensive support and guidance to CRS stations regarding WOL, CBC, and GOPA compliance, irrespective of whether they are CRA members or non-members. He further noted that the required details and documents have been requested from the concerned CRS stations for the past six months; however, many stations have still not submitted the necessary information.

After detailed discussions, it was proposed that only those CRS stations whose WOL and GOPA are valid and up to date shall be eligible to participate in and vote during the upcoming CRA elections. The EC Members observed that CRS stations should not be operating without valid WOL and GOPA approvals.

The EC unanimously agreed that only CRA Members holding valid WOL and GOPA documents shall be eligible to participate in the CRA election process.

To facilitate compliance, CRA Members shall be granted one final opportunity and a period of one month to submit, renew, or regularize the required documents.

CRA EC Meeting No. 27/ 2026-27 Resolution No. 01: The resolution was duly passed by the Executive Committee (EC). The matter shall be placed before the Governing Body (GB) for discussion, consideration, and final approval.

Renewal of Health Insurance Policy for Mr. Sandeep Rana

Mr. Jitender Sharma presented the proposal for the renewal of the Health Insurance Policy of Mr. Sandeep Rana. He informed the EC Members that the health insurance coverage for Mr. Rana had been approved during the previous year's EC Meeting and that the policy is now due for renewal for the current year.

Mr. Sharma further informed the EC that the renewal premium amount is ₹14,058. He also noted that the CRA HR Policy, which provides for such employee benefits, had been duly approved by the General Body (GB).

Mr. Sandeep Parmar stated that since the health insurance coverage had already been approved under the CRA HR Policy and was renewed in accordance with the approved policy provisions, the renewal may be processed accordingly.

After discussion, the EC unanimously approved the renewal of Mr. Sandeep Rana's Health Insurance Policy and authorized the payment of the renewal premium amount of ₹14,058 by CRA.

CRA EC Meeting No. 27/ 2026-27 Resolution No. 02:: The Executive Committee resolved and approved the renewal of the Health Insurance Policy of Mr. Sandeep Rana for the current policy year and authorized the release of the premium amount of ₹14,058 in accordance with the approved CRA HR Policy.

Announcements and Closing Remarks

By: Mr. Jitender Sharma

- No additional announcements were made.
- The Secretary General thanked all members for their participation.

Conclusion

The meeting concluded at **05:00 PM** with a vote of thanks to the Chair.

Jitender Sharma
